

# Prescribed Courses Guide

When you attend your New to Blue orientation session, you will receive information from your advisor listing the classes they recommend for your first semester. If any of classes in the list has a "K" at the end of the course number, this is a Prescribed class. As you choose your class schedule, be sure to choose a prescribed section of this class (with a K in the section number).

## What is a prescribed course?

- Required for some students based on ACT or placement test scores, to give extra support in a challenging area.
- Has a "K" in the section number. Often referred to as a "K class" because of this section number.
- Some (e.g., ENGL 1010 and MATH 1530) are college-level classes which will meet general education requirements.
- Some (e.g., READ 1000) are foundation classes which will count as an elective, if your program has room for general electives.
- **Note:** If you are required to take READ 1000, you will also take a paired HIST 2020 or 2040 class with it. You can find a list of these Raider Learning Communities (RLCs) on the next page.

## How do I know if I need a prescribed course?

You can find information about your prescribed course requirements in the following ways:

- Your advisor will provide a list of recommended courses during New to Blue orientation and will mark any prescribed course requirements with a K.
- In [PipelineMT](#), go to Registration & Student Records, then to Prescribed Course Summary.

## What other classes can I take with my prescribed course(s)?

While completing your prescribed course requirements, you will be limited to certain classes. Follow the recommendations of your advisor carefully! If you cannot take a class they listed for you for any reason, check with them for other options.

## Ready to search for prescribed courses?

- In the **Look Up Classes** tool:
  - In Advanced Search, choose "Prescribed classes" in the Attributes field
- In the **Schedule Planner** tool:
  - Check the boxes on the bottom right, to match which prescribed classes you need
  - If you need READ 1000, also check the box for "Learning Community"

*(Not sure how to use Look Up Classes or Schedule Planner? Check our handy videos on the [Orientation @ CBHS](#) webpage!)*

Visit MTSU's [prescribed courses](#) webpage for more info.
