

Prescribed Courses Guide

When you attend your New to Blue orientation session, you will receive information from your advisor listing the classes they recommend for your first semester. If any of classes in the list has a "K" at the end of the course number (e.g., "MATH 1010 K", this is a Prescribed class. As you choose your class schedule, be sure to choose a prescribed section of this class (with a K in the section #, like "K01").

What is a prescribed course?

- Required for some students based on ACT or placement test scores, to give extra support in a challenging area.
- Has a "K" in the section number. Often referred to as a "K class" because of this section number.
- Some (e.g., ENGL 1010 and MATH 1530) are college-level classes which will meet general education requirements.
- Some (e.g., READ 1000) are foundation classes which will count as an elective, if your program has room for general electives.
- If you are required to take READ 1000, you will also take a paired history class with it. You can find a list of these Raider Learning Communities (RLCs) on page 2 of this guide.

How do I know if I need a prescribed course?

You can find information about your prescribed course requirements in the following ways:

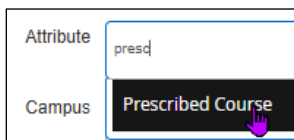

- Your advisor will provide a list of recommended courses during orientation and will mark any prescribed course requirements with a K.
- In [Pipeline](#), go to Registration & Student Records, then to Prescribed Course Summary.

What other classes can I take with my prescribed course(s)?

Some MTSU courses require you to complete any prescribed course requirements first. Your advisor can provide guidance on which classes you can and can't take, based on your prescribed requirements.
